ISABELLE NADRITCH

When I was a baby, my Grandma passed away from breast cancer. While I don’t remember her, I know how much she meant to my Mom and the impact she still has on our lives. My Mom has also undergone her own personal journey to stay healthy and, for all these reasons, has chosen to get involved in Sharsheret to help other women.

Over the course of this year, I have been learning about the importance of doing chesed now that I became a Bat Mitzvah. As a means of culminating and giving Hodaya to Hashem for achieving the milestone of becoming a Bat Mitzvah, I chose to do my Bat Mitzvah project to support Sharsheret!
