

My name is Ana Bornstein. I am 12 years old and am in 7th grade at Hammarskjold Middle School in East Brunswick, New Jersey. I enjoy playing violin, drawing, reading, history, and writing calligraphy.

For my Bat Mitzvah project, I am happy to collect toys for Sharsheret, a national non-profit organization dedicated to improve the lives of Jewish Women and families with or at high genetic risk for breast or ovarian cancer and related cancers such as prostate, pancreatic and male breast cancer.

I chose this organization because I want to support and collaborate in this community task. Please, help me in [my project](#) with your donation. Thank you!
