"I was diagnosed with stage 2B ovarian cancer in late December 2019. My prognosis was good, my spirits were high, and I managed to make it through surgery and chemotherapy with a positive attitude and a smile on my face. Thirteen months after treatment ended, I learned that the cancer had returned. My positive attitude was replaced by fear, my smile dulled by anxiety. Was this really happening? How was I going to make it through this again?" Read more from Nancy.
Recent Updates & Advances in the Field of Ovarian Cancer
September 14, 2022
8pm EDT / 5pm PDT

**We Are Shifting Gears**
This fall, we’re shifting gears and trying something new!

Join us for Pedal for Pink in NYC, our first national charity ride in support of Sharsheret, sponsored by Bernstein Liebhard, LLP.

Book your bike for $36, raise money, bring friends and ride in person!

Join The Ride

Together we will raise awareness about the importance of living a healthy lifestyle.

All funds raised through personal fundraising pages will benefit Sharsheret’s cancer support programs and services. Riders will receive a free Pedal For Pink shirt.

Can't meet us in person? Part of the Peloton Community? Join #TeamSharsheret and look for information about a group ride. Meet you on the bike!

Committee members (in formation)

Sandra Abrams
Jonathan Blinken
Samantha Bryk
Drs. Tammy & Hillel Bryk
Jenna & Bryant Feintuch
Remi Feintuch
Sivan Levine
Adina Levy
Samantha Rochlin
Ben Strulowitz
Erin Weinreich

Sponsorship opportunities available.
Stay up-to-date with the latest Sharsheret happenings, breaking news in the breast cancer and ovarian cancer fields, tips from experts and stories from women and families in the Sharsheret community.

Bring A Sharsheret Bake Sale To Your Community!
Love to bake? Looking to make a difference?

Sharsheret's pre-Thanksgiving bake sale was launched by sisters Adeena Sussman and Sharon Wieder in 2008 in memory of their mother and grandmother, whom they lost to ovarian cancer. Pies for Prevention proceeds support Sharsheret's ovarian cancer initiative and takes place in cities across the country.

Want to coordinate a local sale? Contact Yael Gevertzman to get started.

Pies for Prevention is made possible with support from Merck.

Sign Up For Ina, A Virtual Personal Nutrition Assistant

Whether you are at risk, recently diagnosed, living with cancer, or have completed your cancer treatment, a healthy diet is an important part of your breast cancer or ovarian cancer journey. Eating well can be extremely beneficial and can help you reduce your risk, maintain a healthy weight, and face side effects of treatment. It is important to try to maintain healthy nutrition habits before, during and after treatment.
