

Hi my name is Lily Nadulek. I chose to make care packages for Sharsheret for my bat mitzah project, because the cause is close to my heart. I learned about Sharsheret during Hebrew school, how Sharsheret helps Jewish women with cancer. My mom has stage 4 colon cancer and is in treatment. Because of my mom, I know how the smallest act of kindness, or showing someone you care, helps make them feel better. Please consider donating to the cause and help show someone you care when they are going through a hard time!
