

# SHARSHERET®

Dear Friend:

On Thursday, July 20, 2023, Sharsheret will welcome 600 guests to the Sharsheret Annual Tristate Benefit in Englewood, NJ, when we will recognize Sharsheret Vice President Jordanna Nadritch, a leading advocate for women facing cancer, and commemorate the 15th *yahrtzeit* (passing) of her dear mother, Linda Pulitzer A"H. Jordanna will present Dr. Mark Sultan with the Maimonides Award, and Ben Strulowitz, a dedicated Sharsheret volunteer, will accept the Next Gen Award.

The Tristate Benefit is a way to recognize those whose lives have been touched by breast and ovarian cancer and offers the perfect venue for us to share our accomplishments and recognize the exemplary efforts of volunteers and the corporations, foundations, and individual sponsors who help us achieve these milestones. We are seeking partners like you to contribute a prize for our silent auction.

Benefits of sponsorship include:

- **Media exposure to thousands** in connection with the Annual Benefit
- **Recognition on thousands** of invitations, programs, and event materials and in social media, with a listing on Sharsheret's website and a direct link to your company website
- **Exposure to hundreds of potential customers** for products included as auction prizes

## **ABOUT SHARSHERET**

Sharsheret, Hebrew for chain, a national cancer organization with five offices (California, Florida, Illinois, New Jersey, and New York), serves 250,000 women, families, health care professionals, community leaders, and students in all 50 states. Sharsheret creates a safe community for women facing breast cancer and ovarian cancer and their families at every stage of life and at every stage of cancer - from before diagnosis, during treatment, and into the survivorship years. While our expertise is focused on young women and Jewish families, Sharsheret programs serve all women and men.

As a premier organization for psychosocial support, Sharsheret is a member of the Federal Advisory Committee on Breast Cancer in Young Women, works closely with the Centers for Disease Control and Prevention (CDC), and participates in psychosocial research studies and evaluations with major cancer centers, including Georgetown University Lombardi Comprehensive Cancer Center, Weill Cornell Medical Center, and Columbia/New York-Presbyterian. Sharsheret is accredited by the Better Business Bureau and has earned a 4-star rating from Charity Navigator for four consecutive years.
