

Lilia Bloomberg

Hi, my name is Lilia Bloomberg and I am turning 13 in June. I love ballet and have been doing it for almost 11 years! I love animals (cats especially) and when I am older I would like to be a neonatal nurse. For my Bat Mitzvah project I chose to help collect toys for the Busy Box Toy Drive. The reason I chose this as my project is because I don't think many people realize the effects of having a sick parent has on children. I love to help people and I want to bring awareness to people with cancer or who have a family member that has it. I hope that by doing this project I will be able to make someone happy or bring a little help to someone in need.
