Team Captain Responsibilities

Our Team Captains are an essential part of our race experience. Join us as a family, a friend group, a company, a synagogue, or a school and make your miles meaningful!

As a Team Captain you will receive:

- Recognition on event invitation, social media and our website
- Immediate access to race updates and trainings
- An opportunity to win cool prizes and trophies
- Ongoing fundraising assistance and tips from Sharsheret staff
- A personalized fundraising page
- Special trainings to prepare for race day

We ask that our Team Captains:

- Commit to raise \$1,800 as a team by race day
- Invite friends and family to join their team
- Spread the word through email, flyers, social media and conversations

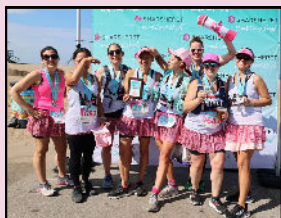

NEXT STEPS:

- 1) Register for the race and get early bird rates.
- 2) You will be asked to create a team fundraising page and an individual fundraising page as part of the team.
- 3) Start recruiting team members and spread the word.
